VALIDATION

All students are required to validate their registration. Validation is completed on myTech. When Validation opens, typically the week before the semester begins, students will receive a message in their Southeast Tech account with the link to Validation. A ribbon at the top of the myTech page will also direct students to the Validation site. Students must Validate by the end of the first week of each semester.

The Validation process provides students the chance to update their address and phone number and confirm their Social Security Number for tax purposes. The policies regarding refunds and the student responsibility to pay are included in Validation. In addition, students may provide their hometown newspaper information. The Marketing and Communications Office sends President's Honor Roll and awards information to students' hometown newspapers.

Students failing to validate their registration may be terminated from classes at Southeast Tech and have their Financial Aid canceled.

SOUTHEAST TECH ATTENDANCE POLICY

Students are expected to attend all sessions of courses for which they are enrolled. Absences do not excuse students from meeting course requirements. Students who have a record of zero attendance for 14 calendar days will be administratively withdrawn from the course(s) the absence is occurring, resulting in a grade of "W" for the course. Students who receive Financial Aid may have their financial aid status affected. There will be no tuition refunds for a student who receives a grade of "W" for non-attendance. Please refer to the complete Attendance Policy located online in the Southeast Tech Academic Catalog.
